the MICHIGAN STUDENT ASSEMBLY

the university of michigan's central student government

WHO WE ARE The Michigan Student Assembly (MSA) is the central student government at the University of Michigan. Our primary goal is to represent the student voice to University administration.

WHAT WE DO We are a central resource for a variety of student issues, and we foster campus collaboration through events and advocacy. Not only is MSA a funding body for student organizations, but we also organize campus-wide events like the BEAT OSU Rally and Homecoming, coordinate Airbus (affordable rides to and from the airport before and after breaks), and fight in Lansing for student issues such as state funding for higher education and Student Veterans affairs.

HOW TO GET INVOLVED MSA is comprised of elected representatives as well as 25 committees and commissions, which any student can join. You can help out with an existing project, propose an idea of your own, be an MSA Fall 2009 Intern, or run for a representative seat in our bi-annual elections. There are so many ways to get involved and we want your help! Contact msa.interested@umich.edu to learn more.
